**District SWIM Plans meetings postponed**

LIVE OAK, FL, June 3, 2016 — The Suwannee River Water Management District's public outreach meetings for the Surface Water Improvement and Management (SWIM) Plan are postponed until such time as the draft plan is available for public review. The District has engaged the public and other stakeholder groups to develop SWIM Plans. Two plans will be developed; one for the Suwannee River Basin and a second plan for the Coastal Rivers basin. Once the draft plans are developed, the public outreach meetings originally scheduled for June 8 and June 22 will be rescheduled.
