RE: Resolution Number 2022-07, Tentative Millage Rate for Fiscal Year 2022-2023 Budget

RECOMMENDATION

Approve Resolution Number 2022-07 to adopt a Tentative Millage Rate of 0.3368 for Fiscal Year 2022-2023.

BACKGROUND

The Suwannee River Water Management District is the taxing authority that tentatively proposes to levy the rolled-back millage rate of 0.3368 for Fiscal Year 2022-2023 (FY 2023), which is a 6.83 percent reduction from the current Fiscal Year 2021-2022 millage rate of 0.3615. The rolled-back millage rate of 0.3368 is based on taxable property values from all the property appraiser's offices within the District.

At the July 12, 2022, Governing Board meeting, the Board approved a tentative rolled-back millage rate of 0.3368 for FY 2023, a Tentative Budget of \$71,293,401, and authorized staff to notify the property appraisers for all counties within the District. Staff was given the ability to adjust the rate minimally if revised information was received.

The Tentative FY 2023 millage rate and budget has been developed in accordance with the budget guidelines set forth by the Governing Board. Also, staff has worked in cooperation with the Governor's Office and Legislature to ensure adequate fiscal resources are available to effectively implement the District's core mission. This tentative millage rate and budget was developed in keeping with statutory provisions and direction provided by the Governor's Office, the Florida Legislature, and the Florida Department of Environmental Protection.

The final public hearing is scheduled for September 26, 2022, at 5:05 p.m., at the District Headquarters located at 9225 CR 49, Live Oak, Florida, 32060.
